

South Berwick Public Library - Library advisory board meeting notes
February 21, 2023.

Review of January minutes
Motion to approve - Mike Siebach
Second - Eric Gonya

Approved
CMS
4/11/2023

Community liaison position - town council has approved, but there will be a meeting tomorrow about it. Concerns about inflation.

Looking at 4-day workweek. 35-hour work week for Lee and Maureen. Just looking into it. Perhaps a month-long trial. Not ready to ask for that yet until some other budget questions are answered. That budget meeting is tomorrow.

New business:
Shelving coming in from FoL - Don't know exactly when.
Seller will probably set up.

Can the library tap into the PTO email list to ask for volunteers? Eric Gonya recommended.

New meeting time discussed - Second Tuesdays. We will start doing that in March. March 14th, 2023, at 6:30pm..

Katherine picked up a card for David Gagnon. Mike needs to pick up a gift, still. We will all sign the card at the next meeting.

Heat has been working ok.

Carry over to next meeting:
shelving; skate ramp/pipe; insurance, neighbor challenges.

Any chance of getting a ramp or half-pipe built near the library to serve the skateboarders?

Summer reading plans:
June 9, 2023 kickoff.
Hot-air balloon craft.
50-day reading tracking program.
Games and activities.
Visiting author - Esenwine
July 29th ice cream wrap-up party

Katherine made the motion to adjourn; Mike Siebach seconded. Meeting ended at 7:24pm.
